

TELL THE MADISON COMMON COUNCIL:

NO VAPOR BAN!

- Madison is considering prohibiting the use of vapor products everywhere smoking is banned— including parks and beaches!
- This law will cause the public to falsely believe vapor is as hazardous as smoke and take away an incentive for current smokers to switch. Laws should not keep smokers smoking!
- Privately-owned vape shops will be prohibited from allowing adult customers to sample products in the store. This will cause shops to close and limit adult smokers' access to products!

- **YOU MUST ACT!**

Attend the city council meeting with up to 100 other vapers at
210 Martin Luther King Jr Blvd, Madison, WI Rm 201

on **January 6, 2015 at 6:30 PM!** (Date and time may change. Check WSAC for updates.)
